FROM: *HHEP* Herzel H. E. Plaine, General Counsel

SUBJECT: GUNNAR HARSTEAD

This responds to your request of August 7, 1984 for the General Counsel's views regarding whether Gunnar Harstead has violated the federal conflict of interest laws by working for both the NRC staff and for Harstead Engineering Associates, Inc. on matters relating to the Waterford operating license application.

We have reviewed the materials presented to us by the applicant and the NRC staff and it is our preliminary view that Mr. Harstead may have violated 18 U.S.C. Sections 203 and 205 and 10 C.F.R. 0.735-23 and 0.735-25. The matter has been referred to the Department of Justice by the Commission's Office of Inspector and Auditor. If you desire further information from OGC, please let us know.
