Submission of Revision 37 to the Monticello Security Plan

Pursuant to 10 CFR Part 50, Section 50.54(p), we are submitting four copies of Revision 37 to the Monticello Security Plan. This revision adds commitments to Regulatory Guide 5.66 (See our letter dated April 27, 1992) and identifies changes in the corporate security responsibilities. These changes do not decrease the effectiveness of the Monticello Security Plan.

This revision to the Monticello Security Plan contains Safeguards Information as identified by the Commission in 10 CFR Part 73, Section 73.21. The Security Plan revision should not be made available for inspection and should not be placed in the public document room.

Please contact us if you have any questions related to the revision.
