Docket No. 50-341

The Detroit Edison Company
ATTN: Wayne H. Jens
Vice President
Nuclear Operations
6400 North Dixie Highway
Newport, MI 48166

Gentlemen:

This letter confirms the receipt of both Duke Power's "Fermi 2 - Final Assessment of Construction" report and Detroit Edison's "Fermi 2 Response to Recommendations from the Duke Power Company Final Assessment of Construction" report.

Region III will review these reports, particularly your responses to the Duke Power recommendations. Region III will also perform onsite inspections to verify the adequacy and implementation of your responses. Should any area of disagreement occur, we will inform you in a timely manner.

If you have any questions, please contact R. C. Knop (312-790-5547) of my staff.

Sincerely,

Original signed by
