In the Matter of
DUKE POWER COMPANY, ET AL.
(Catawba Nuclear Station, Units 1 and 2)
Docket Nos. 50-413 and 50-414 0 L

Dear Administrative Judges:

On September 17, 1984, the Director of the NRC's Office of Inspection and Enforcement distributed a revised NRC Form 3 for posting by NRC licensees, permittees, and applicants. In view of the Licensing Board's concerns over the adequacy of the previous NRC Form 3 (Partial Initial Decision, dated June 22, 1984, pp. 145-146), I am forwarding to you copies of the new form, and the accompanying instructions to recipients for posting.

Sincerely,

George E. Johnson
Counsel for NRC Staff
