Gentlemen:

SUBJECT: TRAINING ASSESSMENT INSPECTION AT FARLEY

This letter is to inform you of our plans to conduct a special inspection of your training programs at the Farley Nuclear Plant during the period of March 11-15, 1985. The objective of this inspection is to assess the effectiveness of these programs for supporting licensed activities.

Areas to be inspected are described in the enclosed inspection plan. The inspection will be conducted by a six-member team led by Dolan Falconer of this office. Any questions you may have or coordination efforts you would like to clarify should be referred to Mr. Floyd Cantrell of our office. Your cooperation in making your records and staff available to support this inspection will be appreciated.

Sincerely,

Original Signed by
