RE: Georgia Power Company, et al. (Vogtle
 Electric Generating Plant, Units 1 and 2)
 NRC Docket Nos. 50-424 and 50-425 CL

Dear Laurie:

Last week, on February 27, Bruce Churchill and I called you to schedule depositions related to Contentions 7, 10.1, 10.3, 10.5, 10.7, 11, 12 and 14. We proposed to set aside at least the week of March 11 for the depositions.

Based on your responses to our interrogatories, we indicated that we would like to depose Howard M. Deutsch (Contentions 10.1, 10.3, 10.5, 10.7, 11 and 12), Carol Gelbaum (Contention 7), William Lawless (Contentions 7 and 12), James Rutenber (Contentions 7 and 12), Tim Johnson (all contentions), Marc Merlin (Contention 14) and Robert Pollard (Contentions 10.1, 10.3, 10.5, 10.7 and 11). You stated that you intended to call all of them as your witnesses in the hearing. Based on your interrogatory answers, we presume that they will testify on the contentions identified above next to their names. Please let me know if this is not correct.

You said that you would contact those individuals about their availability for scheduling the depositions. Tim Johnson called Hugh Davenport yesterday afternoon to report that he would be available for depositions at any time, but that Dr. Deutsch would be available only for an hour on March 12, and that Mr. Lawless would be available only at 2:30 p.m. on March 11. Mr. Johnson said that he had been unsuccessful in contacting Ms. Gelbaum, Mr. Merlin, and

Mr. Pollard. He had contacted Dr. Ruttenger, but had as yet not been able to schedule a date for him.

We estimate that the deposition of Mr. Lawless, and possibly Mr. Johnson, would require two days each, and that at least one day should be set aside for each of the others. Each deposition would continue until completed.

Having tried unsuccessfully to reach both you and Mr. Johnson today, we have developed the following deposition schedule for your consideration:

March 12 and 13 -- Tim Johnson
March 14 -- Marc Merlin
March 18 and 19 -- William Lawless
March 20 -- Carol Gelbaum
March 21 -- James Ruttenger
March 25 -- Howard M. Deutsch
March 28 -- Robert Pollard

All would be deposed at our offices in the Candler Building in Atlanta, except Mr. Pollard, who would be deposed at Shaw, Pittman's offices in Washington.

If there are any problems with the schedule, please contact us, and we will attempt to work out mutually satisfactory arrangements.

Sincerely yours,

James E. Joiner
