Perry Nuclear Power Plant  
Docket Nos. 50-440; 50-441  
Offsite Dose Calculation Manual

Dear Mr. Youngblood:

The Cleveland Electric Illuminating Company has submitted the draft copy of the Perry Nuclear Power Plant Offsite Dose Calculation Manual for staff review. This was submitted with our letter of February 28, 1985 (PY-CEI/NRR-0196L), which incorrectly identified the document as Revision 1.

We look forward to working with the NRC Staff during the review of the Offsite Dose Calculation Manual. Please call if you have any questions.

Very truly yours,

Murray R. Edelman  
Vice President  
Nuclear Group
