Atomic Safety and Licensing Appeal Board
U.S. Nuclear Regulatory Commission
Washington, DC 20555

Re: Application of Philadelphia Electric Co.
Docket Nos. 50-352, 50-353 OL

Dear Sirs:

Del-AWARE Unlimited, Inc. hereby advises the Board that it does not intend to file a brief with regard to its appeal from the Licensing Board's decision to reaffirm authority to issue the low power license.

Del-AWARE believes that the NRC has the independent obligation, under applicable statutes and regulations, to conduct its own review of this matter. See Office of Communication, United Church of Christ v. FCC, 425 F2d 543,546 (D.C. Cir. 1969), (Burger, J.).

Thank you for your consideration in this matter.

Sincerely,

Robert J. Sugarman
