NUCLEAR LICENSING & SAFETY DEPARTMENT

U. S. Nuclear Regulatory Commission
Office of Nuclear Reactor Regulation
Washington, D. C. 20555

Attention: Mr. Harold R. Denton, Director

Dear Mr. Denton:

SUBJECT: Grand Gulf Nuclear Station
Unit 1
Docket No. 50-416
License No. NPF-29
File: 0260/L-800.0
Transmittal of Fee for License
Application
Ref: MAEC-84/0392
AECM-84/0486

Attached to the application for an amendment to the operating license for Grand Gulf Nuclear Station (GCNS), PCOL-84/19, dated October 9, 1984, Mississippi Power & Light Company (MP&L) incorrectly sent a check for \$1200.00. This amount would have been correct for a pro forma amendment prior to June 20, 1984, the date that the 10CFR170 fee schedules were revised. Ms. Reba M. Diggs, of your organization, returned our check with her letter of October 18, 1984, explaining our error.

Attached is a check for \$150.00 now required for the application. MP&L understand that you will bill us for the review of the application according to the guidelines of 10CFR170.

MP&L apologizes for any inconvenience this error may have caused.

Yours truly,

Handwritten signature of L. F. Dale
