ATTN: Mr. Lee Liu
President and Chief
Executive Officer

IE Towers
P. O. Box 351
Cedar Rapids, IA 52406

Gentlemen:

This refers to the special inspection conducted during the period July 18 through 26, 1984, of activities at the Duane Arnold Energy Center, authorized by NRC Operating License No. DPR-49. The results of the inspection were discussed during an enforcement conference conducted in the NRC Region III office on August 8, 1984. The report setting forth the results of the inspection and enforcement conference is enclosed.

In accordance with 10 CFR 2.790(a), a copy of this letter and the enclosure will be placed in the NRC Public Document Room unless you notify this office, by telephone, within ten days of the date of this letter and submit written application to withhold information contained therein within thirty days of the date of this letter. Such application must be consistent with the requirements of 2.790(b)(1). If we do not hear from you in this regard within the required periods noted above, a copy of this letter and the enclosed inspection report will be placed in the Public Document Room.

A separate letter is enclosed that sets forth certain matters of concern and the item of noncompliance found during this inspection. The responses directed by this letter are not subject to the clearance procedures of the Office of Management and Budget as required by the Paperwork Reduction Act of 1980, PL 96-511.
