Dear Ms. Hiatt:

This is in response to your 10 CFR 2.206 petition, filed on June 4, 1984 on behalf of Ohio Citizens for Responsible Energy (OCRE) to the Director, Office of Inspection and Enforcement, requesting issuance of a Show Cause Order to revoke or suspend the construction permit (CPPR-149) for Perry Unit 2. Your request has been considered, and for the reasons stated in the enclosed "Director's Decision under 10 CFR 2.206," the request has been denied.

A copy of this decision will be filed with the Secretary of the Commission for its review in accordance with 10 CFR 2.206(c) of the Commission's regulations. As provided by this regulation, the decision will constitute the final action of the Commission 25 days after the date of issuance of the decision unless the Commission, on its own motion, institutes a review of the decision within that time.

A copy of the notice, which is being filed with the Office of the Federal Register for publication, is also enclosed.

Sincerely,

James M. Taylor, Deputy Director
