MEMORANDUM FOR: James J. Cummings, Director  
Office of Inspector and Auditor

FROM: Victor Stello, Jr., Deputy Executive Director  
Regional Operations and Generic Requirements

SUBJECT: HARTMAN ALLEGATIONS

GPU has provided the review team examining the B&W-GPU lawsuit depositions and exhibits with a list of deposition transcripts which include Hartman or Grand Jury references. A copy of the list is enclosed. The Hartman depositions which are referred to on the list were provided to you earlier by my memorandum of March 30, 1983. To date the review team has examined eight of the depositions listed. No substantive information regarding the Hartman allegations has been found in the review of the following six depositions:

- Dominguez
- Frederick
- Glickman
- Scheiman
- Zewe
- Billingsley

In addition to the Hartman deposition, the Hartman allegations are discussed in the Illjes deposition at pp 36-75 and pp 151-154A and in the Faust deposition at pp 807-895. ]

Copies of the depositions have been placed in the H Street and local public document rooms.

The Office of Investigations, which has recently initiated its investigation into the Hartman matter, is also being informed of the existence of this material by copy of this memorandum.
