

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D. C. 20555

August 12, 1982

MEMORANDUM FOR: File *O. Gauthier*  
THRU: A. Gauthier, Acting AD/Investigations  
Office of Inspector and Auditor *Ronald M. Smith*  
FROM: Ronald M. Smith, Senior Criminal Investigator  
Office of Inspector and Auditor  
SUBJECT: TMI PROSECUTION

On this date I spoke with Mr. Jim West, first assistant to the U.S. Attorney for the Middle District of Pennsylvania (FTS 590-4482). He has just been assigned the TMI case and has not gotten into it in any depth yet; therefore, no decision on prosecution will be forthcoming in the near future. I will check again on the progress of their review in late September.
