RE: CASE MEMO OF MAY 19, 1983 IN REGARD TO HARTMAN ALLEGATIONS

In view of the DOJ's recent decision in this matter - the Jensen letter of May 17, 1983 - and the Commission's direction to Ben Hayes to look into the Hartman allegations, I am forwarding your May 19 memo to Ben Hayes. Although it may still be necessary to determine whether DOJ has written objections to making any or all of the material listed in your May 19 memo publicly available, I believe the first cut should be made by OI. In the event OI determines that it does not desire to make any of the material publicly available, then the question with DOJ is moot.
