Gentlemen:

Docket No. 50-458

Gulf States Utilities Company (GSU) by letter dated September 28, 1990, responded to Generic Letter 90-03, "Vendor Interface for Safety-Related Components". in the above referenced response GSU stated in part that:

... plant procedures will be revised to ensure that the identified vendors will be contacted every twelve months, verifying that GSU has received applicable technical information generated during the previous twelve-month period.

GSU wishes to revise this position in our Vendor Interface Program to reflect vendor contact once per calendar year, to allow adequate time for our verification process.
