Licensing and Quality Assurance
P. O. Box 499
Columbus, NE 68601

Gentlemen:

Thank you for your letter of May 24, 1984, in response to our letter and Notice of Violation dated May 4, 1984. As a result of our review, we find that additional information, as discussed with your Mr. Whitman during a telephone call on June 15, 1984, is needed. Specifically, we would like to know what has been done to train all station personnel in the requirements for entering high radiation areas and in following the requirements of Special Work Permits.

Please provide the supplemental information within 30 days of the date of this letter.

Sincerely,

Original Signed By
J. P. Jaudon
