DOCKET 50-255 - LICENSE DPR-20 - PALISADES PLANT -
REVISION 11 TO THE SUITABILITY TRAINING AND QUALIFICATION PLAN

Attached are one original and three copies of Revision 11 to the Palisades Suitability Training and Qualification Plan for security personnel.

This revision was made to reflect a change in the handgun assigned to armed security officers, changes in the handgun qualification course, and changes in time interval requirements for annual requalification of 10 CFR 73, Appendix B qualified security officers.

We have determined that these changes to the Palisades Suitability Training and Qualification Plan do not degrade the safeguards effectiveness of the plan and are, therefore, submitted under the provisions of 10CFR50.54(p)(2).
