Docket Nos: 50-424  
and 50-425

Mr. Donald O. Foster  
Vice President and General Manager  
Georgia Power Company  
Rt. 2, Box 299A  
Waynesboro, Georgia 30830

Dear Mr. Foster:

Subject: Draft SER for Vogtle Units 1 and 2

Enclosed is a copy of the draft SER for Vogtle, Units 1 and 2. The safety review of the facility is not complete. This draft report is intended to give you an indication of the status of the review.

Please review the draft carefully and by November 30, 1984, provide us with a proposed schedule for your submittal of written responses to the open items. Responses to these items should be provided prior to March 1, 1985, in order to accommodate the schedule for issuance of the final SER. The bases for open items are described in sufficient detail in the text of the draft.

We are available to meet with you as necessary to discuss and resolve these open items. You should prepare to discuss your response to each of the items at the meeting.

Sections are missing from the draft SER. The staff's schedule for these draft sections will be provided to you by December 15, 1984.

A copy of this report has been placed in the Commission's Public Document Room and in the local public document room in Waynesboro, Georgia.

For further information or clarification, please contact the Licensing Project Manager, Melanie Miller at (301) 492-4259.

DESIGNATED ORIGINAL

Sincerely,

Certified By \_\_\_\_\_

Thomas M. Novak, Assistant Director  
for Licensing  
Division of Licensing
