James P. Gleason, Chairman
Atomic Safety and Licensing Board
513 Gilmoure Drive
Silver Spring, Maryland 20901

Dear Chairman Gleason:

Pursuant to your request, there are enclosed the following:

1. Applicants' Emergency Plan for Perry Nuclear Power Plant (Rev. 3);
2. State of Ohio Plan for Response to Radiological Emergencies at Licensed Nuclear Facilities (1984);
3. Lake County Emergency Response Plan for the Perry Nuclear Power Plant (through Rev. 3);
4. Geauga County Radiological Emergency Response Plan (through Change 2); and
5. Ashtabula County Radiological Emergency Response Plan (May 1984).

Additional sets of the five plans will be furnished to Dr. Kline and Mr. Bright in the near future.

Very truly yours,

JAY E. SILBERG
