Birmingham, AL 35201

OFFICE OF SECRETARY
DOCKETING & SERVICE
BRANCH

Gentlemen:

SUBJECT: COMPLETION OF CONFIRMATION OF ACTION LETTER COMMITMENTS

In a letter from the NRC to Georgia Power Company (GPC), subject "Confirmation of Action Letter," dated March 23, 1990, certain matters were agreed to be completed prior to Vogtle, Unit 1, reattaining criticality. Additionally, your commitments concerning the needs and requirements of the Incident Investigation Team dispatched to review the March 20, 1990, loss of vital AC power event on Unit 1, were delineated. This letter confirms the satisfactory resolution of item number 1 and documents the Regional Administrator's concurrence that appropriate corrective actions have been taken and the plant can safely return to operation.

On April 9, 1990, Georgia Power Company briefed NRC management on their event critique results and the short- and long-term corrective actions they plan to implement. These items were specified in a letter from GPC to the NRC, dated April 9, 1990, and included additional items which GPC has committed to submit to NRC.

Based upon the information provided by GPC and the short-term actions which have been implemented, Georgia Power Company is authorized to return Unit 1 to Mode 2, attain criticality, and proceed to subsequent power operation. Items 2-5 of the March 23, 1990, Confirmation of Action Letter remain applicable and are not relieved by this letter.

If your understanding differs from that set forth above, please call me immediately.

Sincerely,

151

Stewart D. Ebnetter
Regional Administrator
