Gentlemen:

West Essex General Hospital, License No. 29-12732-01, wishes to renew its byproduct license. We wish to continue to operate under the current license as previously submitted in the documents and letters dated May 23, 1978, and February 9, 1981. We will continue to operate in accordance with those documents and NRC Regulations and License conditions, with only the following amended revisions as follows:

1. Delete Robert F. Gilday, D.O., as a licensed user;
2. Delete Ira Berger, M.D., as a licensed user;
3. Add Marianne Centanni, M.D., as a licensed user for Groups I-IV and Invitro. She is currently licensed at Columbus Hospital in Newark, New Jersey, under License No. 29-07213-03 and is Board Certified for General Radiology.

Enclosed is a check payable to the Nuclear Regulatory Commission for the sum of \$150.00. If you have any questions about this license renewal application, please contact me.

Sincerely,
