DOCKET NUMBER

Dear Mr. Denton:

By letter to you dated February 22, 1985, LILCO's Vice President for Nuclear Operations extended an invitation to the NRC Staff to observe the conduct of a "tabletop exercise" of LILCO's offsite emergency plan for Shoreham. This is to advise you that Suffolk County objects to the NRC staff observing or in any other way participating in, witnessing, or lending support or credibility to any form of exercise of LILCO's offsite emergency plan.

On February 20, 1985, the New York State Supreme Court ruled that under the Constitution and laws of the State of New York, LILCO does not have authority to implement its offsite emergency plan. Therefore, any exercise by LILCO of its plan would be an act of practicing and preparing for the implementation of an act contrary to law.

Sincerely,

John C. Gallagher
