Re: Meeting Notices; Docket Nos. 50-443/444-01

Dear Mr. Nerses:

The two most recent notices of meetings between Public Service Company of New Hampshire and the NRC regarding Seabrook Units 1 and 2 have been received by our office well after the date and time set for the meeting. The memorandum dated February 15, notifying the service list of a meeting scheduled for February 20 was received by my office on February 28. The February 19 notice of a meeting scheduled for February 26 was received by my office on March 14. The envelope containing the notice of the February 26 meeting was postmarked March 12.

Would you please reexamine your mailing procedures to make certain that notices of meetings are received by our office prior to the meeting date so that we can make an informed decision about whether we wish to attend.

I am enclosing a copy of each of the two notices cited above for your information. I would appreciate learning what actions you will implement to make certain we receive timely notices. I look forward to your response.

Very truly yours,

A handwritten signature in cursive script that reads "Philip Ahrens".
