Gentlemen:

In the Matter of)	Docket Nos. 50-259
Tennessee Valley Authority)	50-260
		50-296

**BROWNS FERRY NUCLEAR PLANT - UNITS 1, 2, AND 3 - UPDATE OF
SECURITY PERSONNEL TRAINING AND QUALIFICATION PLAN (SPT
AND QP) - REVISION 22, DATED DECEMBER 28, 1995**

Pursuant to 10 CFR 50.54(p), TVA has enclosed changes to the subject plan. Further, TVA has enclosed instructions for updating NRC copies 6 through 11.

Revision 22 to the SPT and QP is administrative in nature in that it revises definitions and job classification titles to be consistent with the BFN Physical Security/Contingency Plan. Also, the proposed change specifies that the SPT and QP is a BFN specific plan versus a TVA generic plan. Finally, the proposed change adds a proprietary information disclaimer to the SPT and QP.

This letter and the enclosed information is being sent by certified mail. The signed receipt signifies that you have received this information and appropriate steps will be taken to update your controlled copies, and destroy superseded material. This information contains proprietary material and should be withheld from public disclosure.
