Mr. Fred Combs  
Nuclear Regulatory Commission  
1717 H Street NW  
Washington, D.C. 20555

Dear Mr. Combs:

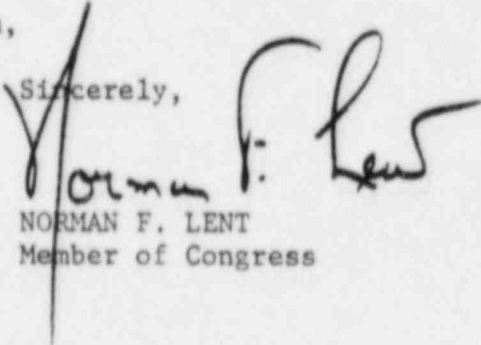

Enclosed please find a copy of a letter which I have received from Mr. Herbert Jaffe, Freeport, New York.

As you will note, Mr. Jaffe is concerned with the amount of misinformation on matters of safety, emergency planning and other basic facts about nuclear power plants. Specifically, Mr. Jaffe would like factual material with which to respond to a letter to the editor which he believes misquotes the figures concerning the number of deaths from radiation in the event of an emergency evacuation from Shoreham nuclear power plant. Any information which you could provide pertaining to Mr. Jaffe's request would be greatly appreciated.

Thank you for your kind attention to this matter. I look forward to hearing from you!

With best wishes I remain,

Sincerely,

  
NORMAN F. LENT  
Member of Congress
