SUBJECT: "RADIOISOTOPE POWERED CARDIAC PACEMAKER PROGRAM TECHNICAL
MEMORANDUM REPORT XXX ON THE STATUS OF THE CLINICAL STUDIES OF THE
NUCLEAR PACEMAKER MODEL NU-5", JANUARY 31, 1996

Dear Mr. McAnulty:

This letter refers to your February 9, 1996 correspondence submitting the above-listed annual report as required by Condition 12 of License No. SNM-1993. We have reviewed the information and have no questions at this time.

We noted that the transmittal letter refers to "Report XXIX" instead of "Report XXX" as listed on the cover of the report. Based on past reports, it appears that "Report XXX" is correct. If it is not, please inform us in writing. Also, the mailing address on the transmittal letter, 444 South Flower Street, is different than the mailing address listed on your current license, 515 South Flower Street. If the mailing address listed on the license should be changed, please request in writing that the license be amended. Your cooperation with us is appreciated.

Sincerely,
