

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D. C. 20555

December 19, 1983

MEMORANDUM FOR: William Olmstead, ELD  
C. Kamrerer, OCA

FROM: Martin G. Malsch, OGC

SUBJECT: LEGISLATIVE MATERIALS RELATING TO  
SHOLLY REGULATIONS AND TMI-1  
AMENDMENTS

The attached package of legislative materials relating to the Sholly amendment was sent to the Commission in response to a request by the Chairman in the December 8, 1983 Commission meeting on the TMI-1 steam generator amendment. OGC has been asked to supplement this package by December 30 with any materials evidencing Commission commitments to the Congress on the TMI-1 steam generator amendment.

We would appreciate your assistance not only in fulfilling the latter request, but also in assuring that we provide to the Commission all relevant legislative history on the Sholly amendment itself.

Thank you in advance for your assistance.

Attachment: As stated
