Qu'd 10-12-83

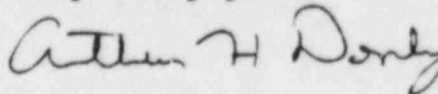

Re: Appeal from Initial Freedom of
Information Act Decision _____

Dear Sir:

By letter dated August 23, 1983, I requested that the Nuclear Regulatory Commission provide me with copies of specific records identified in such letter. A copy of my Request is attached to this Appeal. I was informed that my letter was received by the Commission on August 29, 1983. As required by the Federal Freedom of Information Act, 5 USC § 552, as amended, and the Commission's regulations, 10 CFR § 9.9, the Commission shall respond to Freedom of Information requests for records within ten working days. Failure to do so may be treated by a requester as a denial of the request (10 CFR § 9.9(e)).

As of the date of this letter, I have not received a response from the Commission concerning my request for records dated August 23, 1983. Therefore, I hereby appeal the denial of my request. Please feel free to contact me concerning this appeal. In the event of my unavailability, my colleague, Alan E. Lubel, Esquire (telephone no. 404/658-8063) can assist you in this matter.

Very truly yours,

Arthur H. Dombey
