EX 7(c)

Dear [REDACTED]

Subject: Perceived Discrimination at Oyster Creek

This letter is in response to your telephone conversation with Mr. Dave Vito on September 23, 1992, in which you alleged that you had been discriminated against in the access screening process at Oyster Creek Nuclear Generating Station.

In your conversation, you asserted that you had been subjected to discrimination as evidenced by the fact that you were not afforded the opportunity to explain or amplify adverse information turned up during your background check.

This matter appears to be an issue of personnel practices by GPU Nuclear, and therefore NRC has no jurisdiction. The federal agency with jurisdiction in discrimination matters is the U.S. Department of Labor (DOL). You can file a complaint with your local DOL office, or with:

Office of the Administrator
Wage and Hour Division
Employment Standards Administration
U.S. Department of Labor
Room S3502
200 Constitution Ave., N.W.
Washington, D.C. 20210

I have enclosed a copy of DOL regulations for filing complaints of discrimination under federal employee protection statutes for your use.

If you should have any nuclear safety concerns, please call me collect at 215-337-5222.

Sincerely,

Roy L. Fuhrmeister
