Gentlemen:

Thank you for your letters of October 10 and 25, 1984, in response to our letters dated September 11 and October 29, 1984. As a result of our review, we find that additional information, as discussed with you and Mr. Morris during a telephone call on November 7, 1984, with Mr. J. Kelly of our office, is needed.

Since you did not respond to the unresolved item in paragraph 2, entitled "Management Effectiveness," we will review this matter at the next security inspection to determine if your are in violation.

Please provide the supplemental information within 20 days of the date of this letter.

Sincerely,

Original Signed By  
D. R. Hunter, Chief  
Reactor Project Branch 2
