Dear Sirs:

**Subject: Palo Verde Nuclear Generating Station (PVNGS)
Units 1, 2, and 3
Docket No. STN 50-528/529/530
Reply to Notice of Violation 50-528/529/530/90-29-02, Revision 1**

Arizona Public Service Company (APS) is revising the commitment for the visitor/escort program discussed in our original response of letter 102-01813-WFC/TRB/KR dated August 10, 1990. The original commitment stated that we would be using two identically numbered cards, one to be displayed by the escort and one to be displayed by the visitor. In revising this program, PVNGS is adding a new tour visitor process identified as the tour badge. The visitor(s) will be required to wear a tour badge indicating "Escort Required". The escort will be issued one distinct badge identifying that person as an escort and providing escort instructions. The visitor/escort program will no longer require individually numbered badges for each visitor/escort.

Should you have any further questions, please contact Ms. Angela K. Krainik at (602) 393-5421.

Sincerely,

WLS/AKK/DRL
