ACT REQUEST

FOIA-84-437
Rec'd 5-30-84

Dear Sir:

This is a request under the Freedom of Information Act, as amended.

I would like to obtain a copy of Inspection Report Number 50-142/83-03 (IE-V-589), reporting on an inspection of emergency preparedness at the UCLA reactor facility which occurred in August of 1983.

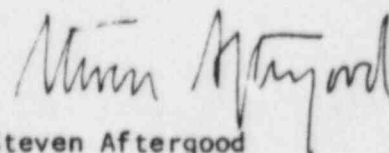

I would also like to obtain:

- (a) any and all correspondence between NRC and UCLA relating to this Report or to the August inspection.
- (b) any and all preliminary versions of the Report.
- (c) any and all handwritten notes made during the inspection and/or used in preparation of the Report.
- (d) any inspection plan used in the inspection.
- (e) any and all records of site tours or other inspections related to emergency preparedness at UCLA in 1983 and 1984.

The Committee to Bridge the Gap, a non-profit organization, is the Intervenor in the UCLA reactor relicensing proceeding, and we are requesting this material solely for use in that proceeding. We therefore request a public interest fee waiver on production costs.

Thank you.

Sincerely,

Steven Aftergood
