Docket No. 50-373

Commonwealth Edison
ATTN: Mr. Cordell Reed
Vice President
Post Office Box 767
Chicago, Illinois 60690

Dear Mr. Reed:

SUBJECT: OPERATOR AND SENIOR OPERATOR LICENSING EXAMINATIONS

In a telephone conversation between Mr. James McDonald, Training Coordinator, and Mr. Joseph McMillen, Chief, Operator Licensing Section, Region III, arrangements were made for the administration of the examinations at the LaSalle County Nuclear Station, Unit 1.

The written examinations are scheduled for May 23, 1983. The plant oral examinations are scheduled for May 24-26, 1983.

In order for us to meet the above schedule, it will be necessary for the facility to furnish the approved reference material listed in Enclosure 1 by April 1, 1983. Any delay in receiving this material will result in a delay in administering of the examinations. Our examinations are scheduled far in advance with considerable planning to utilize our present limited examiner manpower and to meet the examination dates requested by the various facilities. Therefore, missing the April 1, 1983 deadline, even by a few days, will likely result in a long delay, since it would not be possible to reschedule examinations at other facilities. Mr. McDonald has been advised of our reference material requirements, the number of reference material sets that are required, and the examiners' names and addresses where each set is to be mailed.

The facility management is responsible for providing adequate space and facilities in order to properly conduct the written examinations. Enclosure 2, "Administration of Operator Licensing Written Examinations" describes our requirements for conducting these examinations. Mr. McDonald has also been informed of these requirements.

All operator and senior license applications should be submitted at least 60 days and not less than 30 days prior to the first examination dates so that we will be able to review the training and experience of the candidates, process the medical certifications, and prepare final examiner assignments after candidate eligibility has been determined.
