Gentlemen:

SUBJECT: REPORT NOS. 50-250/83-38 AND 50-251/83-38

Thank you for your response of February 21, 1984, to our Notice of Violation issued on January 9 and 20, 1984, concerning activities conducted under NRC Operating License Nos. DPR-31 and DPR-41. We have evaluated your response and found that it meets the requirements of 10 CFR 2.201. We will examine the implementation of your corrective actions during future inspections.

As the result of a telephone conversation on March 29, 1984, between S. A. Elrod of my staff and Mr. K. N. Harris of your staff, it is our understanding that a supplemental response will be submitted to address the corrective actions taken as requested by paragraph 4 of our January 9 and 20, 1984 letters.

We appreciate your cooperation in this matter.

Sincerely,
