Gentlemen:

This acknowledges the receipt of your letter dated May 26, 1992, by which you transmitted Revision 3 to the Fort Calhoun Security Training and Qualification Plan for your facility.

The regional staff has reviewed the submitted revision and found the changes in the subject letter and the attachments thereto to be consistent with the provisions of 10 CFR 50.54(p). Most of the changes are administrative in nature. Others, such as the change to the improved firearms qualification course should enhance the weapons qualification program. Accordingly, they are acceptable for inclusion into the plan.

The implementation of your revisions will be reviewed during a future inspection.

Sincerely,

A. Bill Beach, Director
Division of Reactor Projects
