Dear Mr. Orser:

SUBJECT: UPDATED SCHEDULE FOR SUBMITTAL OF FERMI-2 IPE REPORT (TAC NO. M74410)

We received your April 30, 1992 letter, NRC-92-0051, which revised your schedule for submission of the Fermi-2 IPE report in response to Generic Letter 88-20, "Individual Plant Examination for Severe Accident Vulnerabilities". Your revised schedule of September 1, 1992, for submission of this report is acceptable. If any further schedule changes are necessary, please keep us informed. During a recent management meeting at Fermi, you proposed an August 1992 meeting with the staff to discuss the final results of your IPE report. We fully support your proposal. I will be contacting your staff to arrange the details for that meeting. If you have any questions, contact me at (301) 504-1341.

Sincerely,
