NOTICE OF WITHDRAWAL OF APPLICATION FOR
AMENDMENT TO FACILITY OPERATING LICENSES

The United States Nuclear Regulatory Commission (the Commission) has granted the request of Commonwealth Edison Company (the licensee) to withdraw its July 1, 1989, application for proposed amendment to Facility Operating License Nos. NPF-11 and NPF-18 for the LaSalle County Station, Unit Nos. 1 and 2, located in LaSalle County, Illinois.

For further details with respect to this action, see the application for amendment dated July 1, 1989, and the licensee's letter dated May 13, 1992, which withdrew the application for license amendment. The above documents are available for public inspection at the Commission's Public Document Room,

2120 L Street, NW, Washington, DC, and the local public document room located at the Public Library of Illinois Valley Community College, Rural Route No. 1, Oglesby, Illinois.

Dated at Rockville, Maryland this 1st day of July 1992.
