Serial No. 711  
NO:DAS/lms  
Docket Nos. 50-338  
50-339  
License Nos. NPF-4  
NPF-7

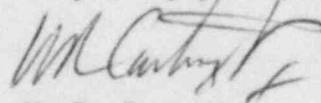

Gentlemen:

VIRGINIA ELECTRIC AND POWER COMPANY  
NORTH ANNA POWER STATION UNIT NOS. 1 AND 2  
REQUEST FOR EXTENSION FOR PROVIDING  
ADDITIONAL INFORMATION ON GENERIC LETTER 83-28

By letter dated November 23, 1984, you requested that we submit additional information within thirty days to support your review of Generic Letter 83-28, Items 4.2.1 and 4.2.2 for North Anna Power Station. It has been determined that additional time is needed to collect and verify the requested information due to short-term manpower limitations. Therefore, we request an extension until February 15, 1985 for providing this information. This is consistent with our schedule for providing similar information for Surry Power Station. Mr. L. B. Engle of your staff was apprised of this extension request in a telephone conversation with Mr. D. J. Fortin on December 17, 1984.

If you have any questions or require further information, please contact us.

Very truly yours,

  
W. L. Stewart
