Mr. Bare,

I forgot to mention, due to the COVID 19 outbreak, NRC offices are closed and we are working remotely. Therefore, no hardcopy of the renewed license or letter will be sent. Please print the documents I attached for your records.

Thanks,
Casey

Subject: Eagle Rock Engineering and Land Surveying NRC License Renewal

Good afternoon Mr. Bare,

Please see the attached renewed NRC License No. 11-29385-01. Please review the attached license, and if you have any questions or concerns, let me know.

Have a nice weekend,
