Gentlemen:

This is to inform you of an omission of a reference in our letter of December 31, 1984, transmitting NRC Inspection Report 50-445/84-34; 50-446/84-13, and of the omission of part of a paragraph in the report.

The letter should have included reference to NRC Inspection Report 50-445/84-22, paragraph 4, page 9, on line 11 of the last paragraph on the first page of the transmittal letter which referred to a previous violation.

The NRC inspection report has been amended to include the omitted title line and the first three lines of paragraph 6, on page 9. Please replace page 9 of your inspection report with the amended page 9.

We apologize for any inconvenience these omissions may have caused you or your staff. If you have any questions or comments regarding these matters, we would be pleased to discuss them with you.

Sincerely,

Original Signed By
