NUCLEAR REGULATORY COMMISSION
REGION III
799 ROOSEVELT ROAD
GLEN ELLYN, ILLINOIS 60137

MAR 10 1987

MEMORANDUM FOR: Richard Starostecki, Chairman, Investigation Referral Board
FROM: A. Bert Davis, Acting Regional Administrator, Region III
SUBJECT: REQUEST FOR INVESTIGATION, RE: EMPLOYMENT DISCRIMINATION
BY THE ZACK COMPANY (AMS NO. RIII-83-A-0140)

Enclosed, per your February 18, 1987 request is a reformatted memorandum requesting the Office of Investigation to initiate an investigation into alleged employment discrimination by the Zack Company. The Zack Company was the heating, ventilation, and air conditioning contractor at the Clinton, LaSalle, and Midland plants. The allegation was originally received by the Region III Enforcement and Investigation staff during May 1982. The investigation was transferred from Region III to the Office of Investigations, when OI was created in July 1982. We have assigned a low priority to this matter.

A. Bert Davis
Acting Regional Administrator

Enclosure: Request for
Investigation
