A. Request

What is the matter that is being requested for investigation (be as specific as possible regarding the underlying incident).

During May 1982 Region III received information that an alleged's employment with the Zack Company was involuntarily terminated after the individual notified the Consumers Power Company of deficiencies involving Zack Company work at the Midland, LaSalle and Clinton Plants.

B. Purpose of Investigation

1. What wrongdoing is suspected; explain the basis for this view (be as specific as possible).

The Zack Company may have retaliated against the alleged for having identified deficiencies in Zack Company work at three nuclear power plants.

2. What are the potential regulatory requirements that may have been violated?

Section 210, Energy Reorganization Act (Employee Protection)

3. If no violation is suspected, what is the specific regulatory concern?

N/A

4. If allegations are involved, is there a view that the allegation occurred? Likely occurred , not sure X. If Likely, explain.

Refer to RIII

C. Requestor's Priority

1. Is the priority of the investigation high, normal, or low? Low
2. What is the estimated date when the results of the investigation are needed? November 1, 1987
3. What is the basis for the date and the impact of not meeting this date? (For example, is there an immediate safety issue that must be addressed or are the results necessary to resolve any ongoing regulatory issue and if so, what actions are dependent on the outcome of the investigation?)

The November 1, 1987 date does not represent a milestone within the allegation file and can be adjusted accordingly.

D. Contact

1. Staff members:
R. F. Warnick, Chief, Projects Branch 1 (FTS 388-5575)
2. Allegers identification with address and telephone number if not confidential. (Indicate if any confidential sources are involved and who may be contacted for the identifying details.)

Can be obtained from Region III Allegation Coordinator C. H. Weil (FTS 388-5535).

F. Other Relevant Information

See enclosure and OI Investigation No. 3-82-025. That investigation pertained to the falsification of Certified Material Test Reports by the Zack Company and the allegation came from the same allexer.
