Docket No. 50-255

Consumers Power Company
ATTN: Mr. R. B. DeWitt
Vice President
Nuclear Operations
212 West Michigan Avenue
Jackson, MI 49201

Gentlemen:

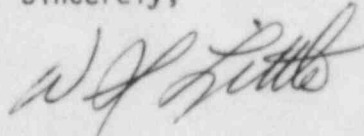

This is to acknowledge receipt of your letter dated December 17, 1984, informing us of the steps you have taken to correct the noncompliances which we brought to your attention in our letter dated November 14, 1984.

Except for your response to Item 1.b, we have no further questions or comments and these matters will be examined in subsequent inspections.

With regards to your response to Item 1.b, our position on this matter has been communicated to the Office of Nuclear Reactor Regulation and an interpretation of the Code requirement requested. Final disposition of your response to Item 1.b will be deferred pending receipt of the NRR position regarding appropriate maximum stroke times for valves.

Should you have any questions concerning these matters, please feel free to contact us.

Sincerely,

W. S. Little, Chief
Operations Branch
