BRANCH

SERVED FEB 4 1985

In the Matter of  
LONG ISLAND LIGHTING COMPANY  
(Shoreham Nuclear Power Station,  
Unit 1)

Docket No. 50-322-0L

February 1, 1985

ORDER DIRECTING PARTIES TO CONFER  
AND TO FILE CROSS-EXAMINATION PLANS

The parties are directed to confer for the purpose of attempting to settle or at least narrow the issues remaining in controversy in this emergency diesel generator phase of the hearing. The parties shall file a joint report which summarizes the result of the discussions. The report shall include a precise specification of which sub-issues remain in controversy, and why, in the seriatim categories of: (1) the proposed qualified load of 3300 kw, (2) the cylinder block and (3) the crankshaft. The report shall be received by the Board by February 8, 1985. The Board plans to begin the February 12 hearing with a discussion of this joint report.

DS02

Plans for cross-examination of all qualified load contention testimony shall be received by the Board by 10:00 am on February 11, 1985. Plans for cross-examination of all other testimony will be scheduled thereafter.

This order was read to counsel for the parties on February 1, 1985.

IT IS SO ORDERED.
