Gentlemen:

SUBJECT: TRAINING ASSESSMENT INSPECTION AT V. C. SUMMER

This letter is to inform you of our plans to conduct a special inspection of your training program at the V. C. Summer Nuclear Station during the week of February 11-15, 1985. The objective of this inspection is to assess the effectiveness of these programs for supporting licensed activities.

Areas to be inspected are described in the enclosed inspection plan. The inspection will be conducted by a six-member team led by Mr. S. David Stadler of this office. The team will arrive at the Summer site on Monday, February 11, 1985. Your cooperation in making your records and staff available to support this inspection will be appreciated.

Sincerely,
