Mr. Stephen M. Goldberg ↙
Quality Assurance Branch; Division of Quality Assurance
Safeguards, and Inspection Programs
Office of Inspection and Enforcement
U.S. Regulatory Commission
Washington, DC 20555

SUBJECT: NRC Proposed Generic Letter
QA Guidance Related to ATWS Non-Safety Related Equipment

REFERENCE: 10CFR50.62

FILE: General GOVT 1-1-2 (10CFR50.62)

Dear Mr. Goldberg:

Please include PECO's Engineering and Research Department's QA Division on the mailing list for all future correspondence regarding the subject topic. Please send the correspondence to:

P. K. Pavlides, Director
Quality Assurance
Philadelphia Electric Co.
2301 Market Street
P.O. Box 8699
Quality Assurance Division (S23-2)
Philadelphia, PA 19101

Your cooperation is appreciated and will help us respond to the NRC QA Guidance more effectively.

Very truly yours

P.K. Pavlides
