Dear Sir:

Subject: Revision 21 Errata A to the Vermont Yankee Physical Security Plan

The purpose of this letter is to provide you with Revision No. 21 Errata A to the Vermont Yankee Physical Security Plan. This revision reflects enhancements recently made to our Security Program to address concerns identified in Reference c) regarding Section 3.1.2 of the Plan (page 3-4, Rev. 19) which were previously submitted to the NRC via Reference b). These changes were previously incorporated into our implementing procedures and the enclosure reflects the resultant Plan changes.

We have reviewed this revision and have determined that the changes do not decrease the safeguards effectiveness of the Plan. Therefore, in accordance with 10 CFR 50.54(p), prior NRC approval of this revision is not required.

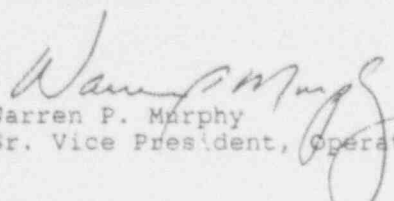

This revision to our Physical Security Plan is submitted as Attachment A to this letter and is considered SAFEGUARDS INFORMATION which is to be withheld from public disclosure in accordance with the provisions of 10 CFR 73.21.

We have enclosed our standard Document Custody Form and Change Transmittal Form for each copy of the Plan revision required by the NRC. Please sign and return these forms.

We trust that the enclosed information is deemed acceptable; however, should you have any questions, please contact Mr. Gregory L. Morgan, Security Manager, at our plant site.

Very truly yours,

VERMONT YANKEE NUCLEAR POWER CORPORATION

  
Warren P. Murphy  
Sr. Vice President, Operations
