## FREEDOM OF INFORMATION ACT REQUEST

Dear Mr. Felton:

Pursuant to the Freedom of Information Act, 5 U.S.C. 522, as amended, the Nuclear Information and Resource Service requests the following documents regarding the Safety Evaluation Report for the Vogtle nuclear power plant for the operating license stage. Please consider "documents" to include reports, studies, test results, correspondence, memoranda, meeting notes, meeting minutes, working papers, graphs, charts, diagrams, notes and summaries of conversations and interviews, computer records, and any other forms of written communication, including internal NRC Staff memoranda. In your response, please identify which documents correspond to which requests below.

Pursuant to this request, please provide all documents prepared or utilized by, in the possession of, or routed through the NRC related to:

1. Analysis, review and preparation of the Safety Evaluation Report for the operating license stage for the Vogtle Nuclear power plant, including all memoranda, correspondence and draft inputs.

In our opinion, it is appropriate in this case for you to waive copying and search charges, pursuant to 5 U.S.C. 552(a)(4)(A) "because furnishing the information can be considered as primarily benefiting the general public." The Nuclear Information and Resource Service is a non-profit

organization serving local organizations concerned about nuclear power and providing information to the general public.

Sincerely,

A handwritten signature in cursive script, appearing to read "Nina Bell".
