Mr. Donnie Grimsley, Director

U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

Dear Mr. Grimsley:

Please accept this letter as my official submission of a
Freedom of Information Act Request.

As a citizen of the state of Illinois
and a member of DeKalb Area Alliance for Responsible Energy
I am concerned about the safety of all families living near
Byron station

Therefore, I am interested to know the results of the Institute for
Nuclear Power Operations' (INPO) most recent inspection of
this nuclear power plant.

Please send me, as the Freedom of Information Act requires,
a complete copy of the most recent INPO Report for Byron
nuclear power plant

With thanks in advance for your immediate attention to this
request.

Sincerely,

Bruce W. von Zellen
