Mr. David Grimsley, Director

U.S. Nuclear Regulatory Commission  
Washington, D.C. 20555

Dear Mr. Grimsley:

Please accept this letter as my official submission of a Freedom of Information Act Request.

As a citizen of the State of Ohio and a member of the Toledo Coalition for Safe Energy, I am concerned about the safety of all families living near the Davis Besse Nuclear Power Plant.

Therefore, I am interested to know the results of the Institute for Nuclear Power Operations' (INPO) most recent inspection of this nuclear power plant.

Please send me, as the Freedom of Information Act requires, a complete copy of the most recent INPO Report for Davis Besse Nuclear Power Station.

Thanks in advance for your immediate attention to this request.

Sincerely,

Charlene B. Johnston
